

Sample Electronic Referral System (ERS) E-mail

Hi Guys:

I just had my carpets and couches professionally cleaned by Xstream Kleen. A friend of mine, Brian Sebastian is the owner of the company and needless to say, they did an outstanding job!

If you don't already have a personal friend or contact to clean your carpets or upholstery – I would highly recommend you call Xstream Kleen at 716-748-8052 and Kim will help get things set up for you.

Don't take the chance of selecting a company at random, not knowing who will show up. Xstream Kleen is locally owned and operated you will always get the same reliable guy doing the job the right way, EVERYTIME!

Since I was very happy with their work, I agreed to send this to my closest friends and in turn, anyone that gets this email will receive a \$20.00 gift certificate.

The gift certificate is good anytime and can be used as cash for services rendered. The certificate has no expiration date, and can be used on any specials that they may have.

If you can't use the gift certificate feel free to give it to forward this email to someone else to use. Xstream Kleen will honor the gift certificate and they will also send you a new

\$25.00 gift certificate as a thank you for referring one of your friends. To receive your free \$20.00 certificate just [Click here](#).

Take Care!

Leeza
